# **Bible Book–A–Month Club!**

---

**Bible Book a Month Club** offers its members a systematic way of studying the Bible on a daily basis. Here's how it works.

We have gathered together short studies of most of the books of the Bible. These studies on CD are taught by faculty members of **Sunset International Bible Institute**. There four to eighteen hours of study for each Bible book (some such as Isaiah may be longer). All of these studies will be interesting, exciting, stimulating and will greatly increase your Bible knowledge! These are exegetical studies, not devotional studies.

Next, if you subscribe you will receive the number of CDs required for the Bible book to be sent to you each month beginning with Genesis and going through Revelation. The number of CDs will vary each month due to the length of books and studies.

These CDs are priced at \$3.50 per CD for our **BIBLE BOOK A MONTH CLUB** members and non-members. They are in an attractive album for storage. Remember that the total amount you pay each month will vary due to the number of CDs for that month. All CDs will have the album along with shipping & handling added to the cost of the CDs. Your studies will be in an attractive album for easy storage on you book shelf. The cost for all 50 studies is \$1,383.00. **Buy the entire package at 50% off for only \$691.50**
